On this pod, we talk with Jason Stevenson and Sydni Makemo from Utah ACLU and we discuss Representative Chris Stewart's "Fairness for All" bill, Facebook and Free Speech, Red Flag Laws (answer may surprise you), and most importantly - that Clint Eastwood Richard Jewell movie that centers on a guy who was falsely accused by the media for the Atlanta bombing while simultaneously the movie fictionalizes a storyline that slanders a real life reporter as someone who slept with people to get leads. What. a. world.
