**DECLARATION OF DAVID S.  
MCNEILL, PHD, MBA**

Case No. 2:16-cv-00789-DN

Judge David Nuffer

---

I, David S. McNeill, hereby declare under the penalties of perjury as follows:

**EXHIBIT**

**1**

I am a resident of Salt Lake County, State of Utah and am over 21 years of age. I am competent to make this declaration and if called as a witness in this matter, I would testify under oath in accordance with the following:

1. On February 23, 2017, I was engaged by legal counsel (Holland & Hart, LLP and The American Civil Liberties Union of Utah) for Plaintiffs Colton Guy Remick, Skylar W. Garner, Bryce Tucker Lloyd, Anthony Murdzak, Colter Ricks and Brandon Timms (“Plaintiffs”) as an expert witness in this lawsuit.

2. I was engaged to assist Plaintiffs to collect and analyze data and information regarding public defenders representing indigent criminal defendants in the State of Utah. In addition to other tasks, I was asked to determine the number and types of indigent defense cases handled by individual public defenders. One of my general tasks has been to compile publicly accessible information from Utah Court calendars published on [www.utcourts.gov/cal/](http://www.utcourts.gov/cal/) and construct a database from which to analyze data about criminal cases and hearings.

### **Qualifications**

3. I earned my Bachelor of Science degree in 2004 from Walla Walla University with a major in biological sciences. I earned my Ph.D. in 2011 from Johns Hopkins University in neuroscience. I received a Master Degree in Business Administration (MBA) in 2014 from the University of Utah with an emphasis in information systems. I am currently a principal and the assistant director of Open Legal Services located in Salt Lake City, Utah. As part of my duties, I analyze databases of our client information as well as collect and analyze publicly

available data pertaining to our attorneys' court appearances, access to justice matters, and the legal services market in Utah.

#### **Methodology**

4. To the best of my knowledge, there is no publicly available listing or centralized registration of attorneys in the State of Utah who represent indigent criminal defendants. Therefore, it was necessary to contact each district and justice court in Utah by telephone to ask for the names and other contact information for the public defenders currently engaged by the counties and/or municipalities. This task was undertaken on February 9 and 13-15, 2017 by legal counsel.

5. I identified additional public defenders by searching the Utah State Bar directory for attorneys who reported that they worked for organizations that undertake indigent defense (e.g., Salt Lake Legal Defenders Association).

6. As of March, 2017, 172 public defenders were identified. This list may not precisely include all public defenders in Utah because there is no publicly available and verifiable way to identify them. For example, the State of Utah does not have a registry, list, or roster of public defenders like the State of North Carolina. *See* the North Carolina Public Defender Directory attached hereto as **Exhibit A**. In addition, while some Utah court calendars indicate that a public defender has appeared on the case, this labeling is not consistent or uniform.

7. The Utah State Courts maintain a system entitled "CORIS" (Courts Information System) which is a repository of district and justice court case information that is available to the

public through a fee-based subscription service entitled “XChange”

(<https://www.utcourts.gov/xchange/>).

8. Paragraph 1 of the Utah Courts Information XChange Subscription Agreement (a copy of which is attached hereto as **Exhibit B**) provides that a “[s]ubscriber will not use any robot, spider, scraper or other automated means to access XChange for any purpose.” Because of that limitation, I am unable to collect public records en masse from the XChange system regarding public defenders’ activities in the Utah state courts. For that reason, it was necessary for me to reconstruct records from publicly available court calendars which are created based on information in the CORIS data system.

9. An example of a hearing from a court calendar is shown below with the information circled that I parse to compile my database of court hearings:

10. Beginning on May 24, 2016, on every Tuesday of each week, I collected and electronically stored all publicly published calendars (typically a set of 160 separate PDF text files) issued by each Utah district and justice court. My dataset now spans 48 consecutive weeks and contains over two gigabytes of information. I initiated this data collection for purposes of alerting the attorneys at Open Legal Services about their impending hearings and to explore the possibility of commercializing this service for other attorneys. These calendars are publicly available and are published daily on the Utah Courts website at <https://www.utcourts.gov/cal/>. A representative sample of the court calendars I collected is attached hereto as **Exhibit C**. Typically a set of 160 calendar files contains about 30,000-40,000 separate court hearings scheduled over the next 2-4 weeks. I created software to parse the text in the calendar files into individual hearings and identify the various data fields and codes which contain information about each hearing, such as the names of counsel, the court, the type of hearing, the case number, the criminal charges, etc. My program “reads” the 160 calendar files and then generates a spreadsheet containing the 30,000-40,000 scheduled hearings, which are then compiled into a database for analysis. Essentially I am using the court calendars as a data source to reconstruct or reverse-engineer data in the CORIS database.

11. I used my database of court hearing information to compile two spreadsheets to perform my analysis in this case. An excerpt of the first spreadsheet is attached hereto as **Exhibit D**. It shows compiled data for criminal cases, including case number, maximum criminal charge, whether a public defender made an appearance on the case, and other information. If included in its entirety, the compiled data would be 4,750 pages and 199,481

rows long. A portion of the second spreadsheet is attached hereto as **Exhibit E**. It shows the number and types of cases for every attorney that appeared as defense counsel on any criminal case during the 48-week dataset (including the identified public defenders). If included in its entirety, the compiled data would be 46 pages and 1,929 rows long.

**Summary of Scope and Magnitude of Collected Data**

12. My 48-week sample includes 517,010 criminal hearings statewide in 160 district and justice courts.

13. These hearings correspond to 199,480 criminal cases (capital cases and infraction charges were excluded for this analysis).

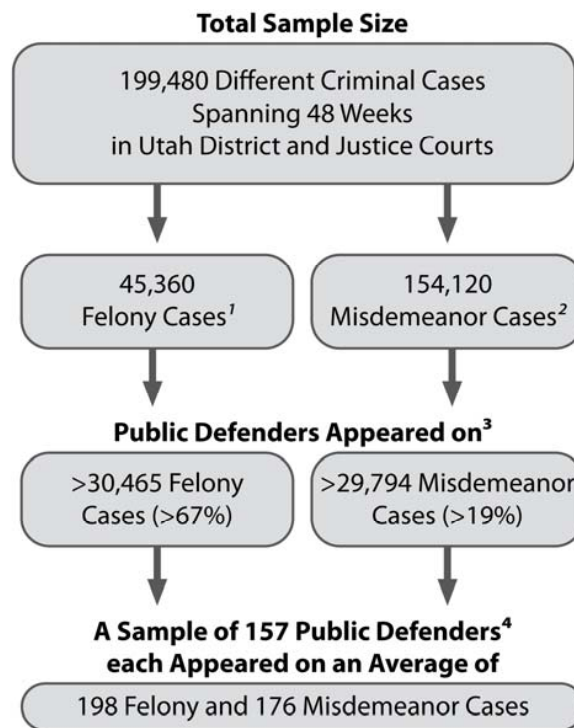

14. Of the 199,480 criminal cases, 45,252 are felony cases (containing at least one felony charge) and 152,183 are misdemeanor cases (containing any misdemeanor, but no felony charges)

15. Public defenders appear on at least 30,465 (67%) of felony cases in my dataset.

16. Public defenders appeared on at least 29,794 (19%) of misdemeanor cases in my dataset.

17. Of the 172 public defenders identified by name, 157 appeared on 10 or more cases in my dataset. Each of these 157 public defenders appeared on an average of 198 felony AND 176 misdemeanor cases during the 48-week sample period.

18. This data is reflected in the flow chart set forth below:

*Note: This analysis includes only felony and misdemeanor cases and not capital or infraction cases*

<sup>1</sup>Felony Case: containing any felony charges

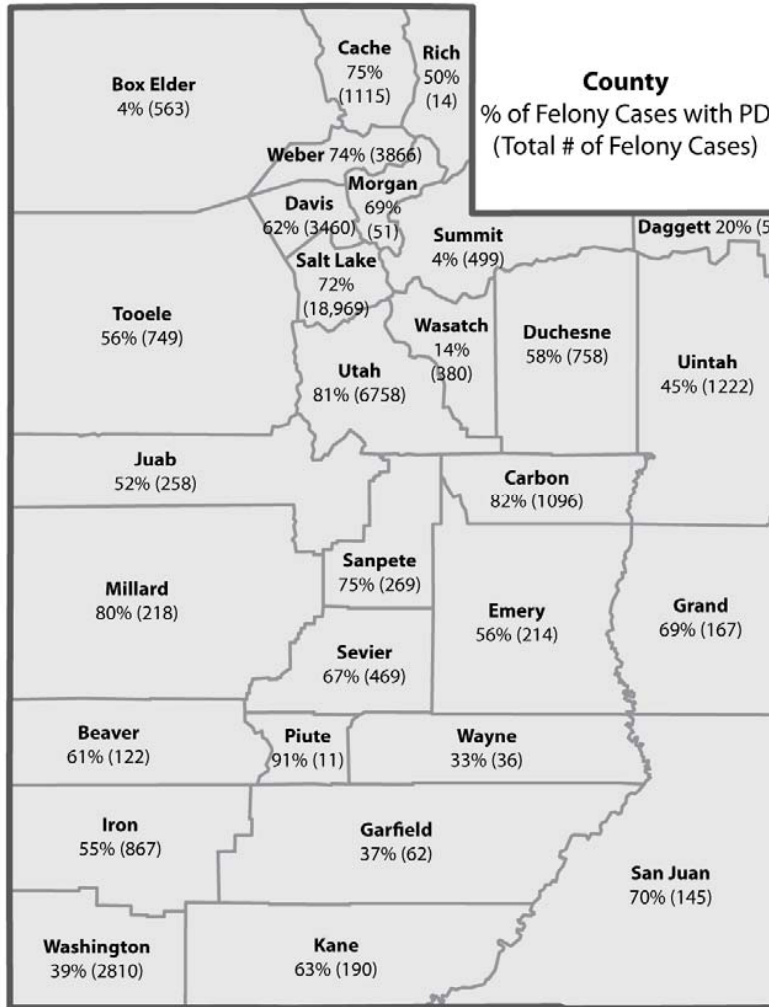

<sup>2</sup>Misdemeanor Case: containing any misdemeanor (but no felony) charges

<sup>3</sup>Public Defender Case: anyone identified as a public defender made an appearance on one or more hearings for that case. Note that we almost certainly did not identify all cases where public defenders appeared, so these numbers are minimums.

<sup>4</sup>That appeared on 10 or more cases

19. A map of Utah counties, depicting the total number of felony cases in each county in my dataset (in parentheses) and the minimum percent of these felony cases where a public defender made an appearance:

## Minimum Percent of Felony Cases where a Public Defender made an Appearance

*Note: Due to the lack of a verifiable listing of all public defenders, these percentages are minimums based on the portion of felony cases with an identifiable appearance by a public defender.*

20. The data shown in this map demonstrates that a public defender appears on at least 62-81% of the felony cases in the counties located along the Wasatch front (*see for*

*example*, Cache, Weber, Davis, Salt Lake, and Utah), and public defenders represent a significant proportion of indigent defendants facing felony charges statewide.

I swear under penalty of perjury under the laws of the United States and the State of Utah that the foregoing assertions of my activities are true and correct and that the graphs, tables, and attached exhibits are accurate to the best of my knowledge and understanding.

Executed at Salt lake City, Utah, on April 20, 2017.

**Public Defenders**

**Public Defenders/Court-Appointed Attorneys:** If a defendant cannot afford an attorney and is accused of a crime that could result in a jail sentence or suspended sentence, the defendant is eligible for the services of a lawyer at state expense. Public Defenders are full-time, state-paid attorneys whose function is to represent indigent criminal defendants and indigent respondents in civil cases in which there is a right to counsel. Seventeen districts in the state encompassing 31 counties have Public Defender offices. If the county in which you have been criminally charged is not included in the list below, a local private attorney will be appointed to represent you. In either case, you must appear at your scheduled court appearance to request a court-appointed attorney. You will be asked to complete an Affidavit of Indigency, showing your income and expenses. If, after completing this form, the judge decides that you cannot afford an attorney and are entitled to counsel, the judge will appoint you an attorney. You have no choice in who the judge will appoint to represent you. Court-appointed attorneys are not free attorneys. If you plead guilty or are found guilty, the judge will order you to reimburse the State of North Carolina for the value of services provided by a court-appointed attorney.

## Utah Courts Information XChange Subscription Agreement

This contract is made by and between "Subscriber" \_\_\_\_\_  
(name of corporation), a \_\_\_\_\_ (type, corporation or partnership)  
established under the laws of \_\_\_\_\_ (state of incorporation/partnership formation) and  
the Utah Administrative Office of the Courts (AOC).

The parties agree as follows:

### 1. License

AOC hereby permits Subscriber to connect to and obtain information from the Utah Courts Information XChange ("XChange") subject to this contract and rules of the Utah Judicial Council. Subscriber shall not tamper with XChange or knowingly or negligently transfer into it any harmful or defamatory material, or transfer into or by means of it any material that may not legally be sent through the United States Mail. Subscriber will not use any robot, spider, scraper or other automated means to access XChange for any purpose.

### 2. Account and Password

This license extends to all persons who use XChange under Subscriber's account and using Subscriber's password or personal identification number (PIN), and Subscriber shall be responsible for all use of XChange by such persons, regardless of whether the Subscriber authorizes or knows of such use. AOC may reset Subscriber's password or personal identification number (PIN) on request, after having verified the identity of the person making the request and, if that person is acting as an agent, his or her authority to act on behalf of the Subscriber.

### 3. Fees

Subscriber shall pay to AOC access fees of \$30.00 per month for any portion of a calendar month. The \$30.00/month access fee will include 200 searches of the Utah Courts Information XChange. Each search over 200 in a billing cycle will be charged at a rate of \$ .10/search. Documents are available in some cases. The cost of accessing a document is \$0.50. A \$25 registration fee is required to setup an XChange account (as per Rule 4-202.8, Utah Code of Judicial Administration). AOC reserves the right to change the access fees upon 30 days written notice to Subscriber. AOC shall bill Subscriber monthly via e-mail. Payment shall be due 15 days after mailing of the bill and must be made by credit card through the account management feature in XChange. AOC may preclude Subscriber from using XChange if subscribers account is past due. This section does not apply to Utah state governmental entities.

### 4. Limitation of Liability

AOC shall diligently strive to maintain accurate data on XChange, but shall not be liable for consequential, exemplary, incidental or special damages for any information provided by or through XChange. AOC makes no warranty assuring the accuracy of the information contained in records available on XChange. In any action based on contract, Subscriber's remedy and AOC's liability shall be limited to the charges imposed by AOC for use of XChange under this contract. Further, AOC does not hereby waive any governmental immunity.

### 5. Term

This contract shall continue in effect until one party materially breaches or until one day after one party notifies the other in writing that this contract is terminated. AOC may suspend or terminate

Subscriber's use of XChange for any violation of the contract, including, but not limited to past due accounts.

**6. Force Majeure**

Performance of this contract may be delayed or excused without liability when necessitated by a natural disaster, war, adverse legislation, embargo or boycott, civil disturbance, fire, unforeseen equipment failure, or any similar event outside the control of the non-performing party.

**7. Notices**

Any notice given pursuant to this contract, other than a bill for amounts due, shall be sufficient if sent via e-mail to the contact person listed on the account. Bills may be sent to the contact person on the account via email.

**8. Governing Law**

All questions concerning the validity, interpretation, performance or breach of this contract and all questions having any substantial relationship to it shall be decided in accordance with Utah law.

**9. Waiver**

No waiver of any provision of this contract shall operate as a waiver of any other provision, regardless of any similarity or relation that may exist between those provisions, nor shall a waiver in one instance operate as a waiver in any future event. No waiver shall be binding unless executed in writing by the waiving party.

**10. Integration**

This contract contains the entire and integrated contract of the parties as of its date, and no prior or contemporaneous promises, representations, warranties, inducements, or understandings between the parties and not contained herein shall be of any force or effect.

**11. Attorney's Fees.**

Should either party or its successor breach any of the promises of this contract, the breaching party shall pay all expenses incurred by the other party in enforcing its rights under this contract, including an attorney's fee reasonable in amount, and court costs including appeal(s).

**12. Authority of Signatories.**

The natural persons signing this contract as officers of a corporation, partners of a partnership, or agents of any entity personally warrant by their signatures that they execute this Agreement pursuant to valid and sufficient authority of the corporation, partnership, or entity for which they sign.
